## Depending on Your Insurance Needs You May Elect to Take Out One of the Following Covers:

- Comprehensive Cover – This includes cover for **Accidental loss** or **Damage** to **Your Boat**, the **Legal Liability** arising from the use of **Your Personal Watercraft** and **Boat** cover;

## What is Your “Boat”?

- **Hull**;
- **Motor(s)**, including fuel tanks;

- **Equipment and Accessories**;
- **Boat Tender**; and
- **Contents**.

**You** should include all of these items when deciding the amount of **Your Sum Insured**.

**Your Boat** does not include modifications **You** have not told **Us** about or which are not shown on **Your Certificate of Insurance**. It does not include **Personal Effects** but limited cover is provided for these items, under the Additional Benefits section of the **Policy**.

# Comprehensive Cover

For Comprehensive Cover the following are some of the important things **You** need to consider if and when **You** select this coverage.

## Insuring Your Boat

**You** are responsible for deciding the amount of **Your Sum Insured**. If **You** are having difficulties working out the values please seek the advice or a valuation from a professional **Boat** or yacht broker or dealer.

## Your Boat can be Insured on the Following Basis:

### 1. Agreed Value: Boats up to 2 Years of Age

When **You** have purchased **Your** brand new **Boat** through a **Boat** or yacht brokerage or dealership **We** agree to insure **Your Boat** for the purchase price paid for 2 calendar years from the date **You** purchased **Your Boat**. The purchase price and date of purchase must be advised to **Us** at the time of entering into the **Policy**.

At the end of 2 calendar years from the date **You** purchased **Your Boat** the **Policy** will automatically convert to operate on a **Market Value** basis. **You** can contact **Us** and request that cover be amended to an **Agreed Value** in which case **You** must provide **Us** with details of **Your** requested **Sum Insured**. If **We** cannot agree on the **Sum Insured** value with **You**, **Policy** will be issued on a **Market Value** basis.

### 2. Agreed Value: Boat Over 2 Years of Age

If **Your Boat** is older than 2 years of age, **We** will agree to

insure **Your Boat**:

- where **You** have owned the **Boat** for less than 2 years, for the purchase price paid by **You** for 2 calendar years from the date **You** purchased **Your Boat**. The purchase price and date of purchase must be advised at the time of entering into the **Policy**; or
- where **You** have owned the **Boat** for more than 2 years, for a **Sum Insured** value that **We** agree will apply to **Your Boat**.

If **We** cannot agree on the **Sum Insured** value with **You**, the **Policy** will be issued on a **Market Value** basis.

At the end of 2 calendar years from the date **You** purchased **Your Boat** or the time **We** agreed to a **Sum Insured** value, the **Policy** will automatically convert to operate on a **Market Value** basis. **You** can contact **Us** and request that cover be amended to an **Agreed Value** in which case **You** must provide **Us** with details of **Your** requested **Sum Insured**. If **We** cannot agree on the **Sum Insured** value with **You**, **Policy** will be issued on a **Market Value** basis.

### 3. Market Value

If **We** cannot agree on a specified **Agreed Value Sum Insured** with **You** **We** will insure the **Boat** on a **Market Value** basis. **We** will then pay up to the **Market Value** (i.e. the cost to replace **Your Boat** with a similar item of the same age and condition) of the **Boat** assessed at the time of the event giving rise to the **loss**, or the **Sum Insured** shown on **Your Certificate of Insurance**, whichever is the lesser.

## Coverages Available

By paying an additional premium, **You** may also be able to extend **Your Legal Liability** Cover to include the following Optional benefit:

- Liability covers for **Waterskiing** and/or **Aquaplaning** activities.

## Applying for Cover

When **You** apply for this insurance, **You** will need to complete a proposal. **We** will use and rely on the information supplied by **You** to decide the terms of cover **We** will provide.

If **You** are not eligible for cover under this **Policy**, then **You** can see if there are alternative options by contacting either the National Insurance Brokers Association or the Insurance Council of Australia. If **You** are not happy with our reasons as to why **You** are not eligible for cover, **You** can lodge a complaint with **Us** by following the complaints procedure outlined in this PDS.

When **We** agree to enter into a **Policy** with **You**, **Your Policy** with **Us** is made up of:

- this PDS;
- **Your Certificate of Insurance**; and
- any other document **We** tell **You** forms part of the terms and conditions of **Your** cover, including any endorsements issued by **Us**.

**Your Certificate of Insurance** will contain important information relevant to **Your** insurance including the **Period of Insurance**, **Your** premium, details of **Your** insured property and the cover selected by **You**, the **Excess(es)** that will apply to **You** and others and whether any standard terms have been varied by way of endorsement.

**You** need to keep these documents in a safe place together with receipts and other evidence of ownership and value of items **You** insure.

## Determining Your Premium

When **You** buy **Your** insurance, **We** tell **You** the premium **You** must pay and show it on **Your Certificate of Insurance**.

To determine **Your** premium **We** consider factors such as the cover **You** want, the boat **You** want to insure, the limits and excesses that will apply, **Your** insurance history and whether **You** are paying by installments or not.

It also includes an administration fee and amounts that take into account our obligation to pay any relevant compulsory government charges, taxes or levies (e.g. Stamp Duty and GST) for **Your** insurance. **We** show these on **Your Certificate of Insurance**.

**We** will also reward **You** with a no claim bonus discount on **Your** premium when **You** buy the **Policy** if **You** have not experienced a recent pleasure craft related claim. **We** tell **You** what **Your** discount is when **You** apply for the **Policy**. **Your** premium is calculated on current rates.

**We** then apply any no claim bonus premium discounts **You** may be entitled to. **You** will be entitled to our maximum no claim bonus premium discount if **You** have not experienced any pleasure craft related claims in the past 5 years with any insurer.

**Our** no claim bonus discount works as follows:

- 30% discount if **You** have had no claims in the past 5 years;
- 20% discount if **You** have had 1 claim or less in the past 2 years;
- 10% discount if **You** have had 2 claims or less in the past 3 years; or
- 0% discount in all other cases.

The level of discount will be adjusted upon renewal depending on whether any claims are lodged during the previous **Period of Insurance** and this may either:

- increase **Your** discount if **You** have not made a claim (up to the next level or **Our** maximum level, whichever applies); or
- decrease **Your** discount (if **You** have made a claim); or
- remain the same.

If **You** hold the **Policy** with **Us** for three consecutive years and make no claims, **We** will apply **Our** Maximum No Claim Bonus discount for all future renewals of the **Policy** with **Us**.

A minimum premium applies for this insurance irrespective of any discount that applies. The amount of premium **We** charge after taking into account **Your** no claim bonus (if any) will not be less than this amount.

If **Your** premium is payable in instalments, this may increase the amount of premium that **You** must pay. If the premium is payable in instalments, **You** must continue to pay the instalments to maintain cover. If **You** pay by 7 or more instalments each year and **You** fail to pay an instalment on time then, if the instalment remains unpaid for at least 14 days, **We** may refuse to pay any claim that arises after the unpaid instalment was due.

**You** are responsible for ensuring that **Your** premiums are paid or **Your** cover could be put at risk. Please call **Us** if **You** are ever unsure about **Your** premiums.

**We** may deduct from any claim amount or benefit payment, any unpaid premium or instalment of premium.

## Your Duty of Disclosure

Before **You** enter into an insurance contract, **You** have a duty to tell **Us** anything that **You** know, or could reasonably be expected to know, may affect our decision to insure **You** and on what terms.

**You** have this duty until **We** agree to insure **You**.

**You** have the same duty before **You** renew, extend, vary or reinstate an insurance contract.

**You** do not need to tell **Us** anything that:

- reduces the risk **We** insure **You** for; or
- is common knowledge; or
- **We** know or should know as an insurer; or
- **We** waive **Your** duty to tell **Us** about.

## If You Do Not Tell Us Something

If **You** do not tell **Us** anything **You** are required to, **We** may cancel **Your** contract or reduce the amount **We** will pay **You** if **You** make a claim, or both.

If **Your** failure to tell **Us** is fraudulent, **We** may refuse to pay a claim and treat the contract as if it never existed.

## Making a Claim

### What Happens if You Need to Make a Claim?

**We** understand that it can be very stressful if **You** need to make a claim. **Our** claims team will be there to help **You** with advice and assistance when **You** need it most.

Nautilus has been appointed by **Us** to administer and settle claims on our behalf. Nautilus' handling of **Your** claim will be in accordance with the requirements set out under the General Insurance Code of Practice (see below). The policy provides further details as to how to make a claim.

### The Financial Claims Scheme

The protection provided under the Federal Government's Financial Claims Scheme (the Scheme) applies to the **Policy**. In the unlikely event that the Insurer is unable to meet its obligations under the **Policy**, persons entitled to make a claim under the insurance cover under the **Policy** may be entitled to payment under the Scheme (access to the Scheme is subject to eligibility criteria). Information about the Scheme can be obtained from the APRA website at <https://www.fcs.gov.au>

### Goods and Services Tax (GST)

Any claim payments made under this insurance will be

based on GST inclusive costs, up to the relevant **Sum Insured, Market Value** or **Agreed Value** or maximum amount that **We** pay. However, if **You** are or would be entitled to claim any input tax credit for the repair or replacement of the insured property or for other things covered, **We** will reduce any claim under the **Policy** by the amount of such input tax credit. **You** must advise **Us** of **Your** correct input tax credit percentage where **You** are registered for GST. **You** are liable to **Us** for any GST liability **We** incur arising from **Your** incorrect advice or inaction.

## General Insurance Code of Practice

**We** are a signatory to the General Insurance Code of Practice. This aims to raise the standards of practice and service in the insurance industry, improve the way claims and complaints are handled and help people better understand how general insurance works. Information brochures on the Code are available upon request. As **We** act through our agent, Nautilus, Nautilus will also be bound (where applicable) by the same found in the Code of Practice.

## Other Important Information

### Updating This PDS

**We** may need to update this PDS from time to time if certain changes occur where required and permitted by law.

**We** will issue **You** with a new PDS or Supplementary PDS or other compliant document to update the relevant information except in limited cases. Where the information is not something that would be materially adverse from the point of view of a reasonable person considering whether to buy this insurance, **We** may issue **You** with notice of this information in other forms or keep an internal record of such changes (**You** can get a paper copy free of charge by calling us).

### Distribution of This Insurance by Dealers

Pursuant to the ASIC Corporations (Basic Deposit and General Insurance Product Distribution) Instrument

2015/682, certain persons, including selected boat dealers, finance companies, and occasionally other persons have been authorised by Nautilus under their AFSL as its general insurance distributors to deal in this insurance on Nautilus' behalf.

These persons are not authorised to provide any advice on this insurance and have no binding authority to enter into any **Policy** or settle any claim or otherwise act on behalf of AIG Australia Limited.

Any person who provides financial services to **You** as Nautilus's general insurance distributor will tell **You** that they are acting in that capacity.

### Distributors' Remuneration

Distributors such as **Your** Insurance Broker may receive a commission whenever **You** enter into a policy arranged by them (including renewals and some variations which increase the premium payable). The commission excludes GST and is a percentage of underwriters base premium (i.e. premium excluding the amounts included by the underwriters in relation to applicable stamp duty, fire service levy, GST or any other government charges, taxes, fees or levies). The commission is included as part of **Your** premium. In addition the distributors must also provide **You** with details of the complaints resolution process outlined in the PDS.

### How Nautilus is Remunerated for the Services Provided

Nautilus also receives a commission whenever **You** enter into a policy arranged by them or their boat dealer distributors (including renewals and some variations which increase the premium payable).

**We** may also advance Nautilus other money in the period to cover marketing and other costs and expenses which is agreed on a case by case basis.

For services in administering this insurance Nautilus may be paid a profit share amount in relation to such insurance entered into in each annual period. The amount Nautilus can receive is a percentage of the net profit amount (if any) which is determined by **Us** and is based on the total premium excluding certain costs, expenses, fees and liabilities in relation to the policies (e.g. taxes and charges on the policy, reinsurance costs, claims payments,

commission paid and administrative costs) over a 12 month period.

If there is no net profit in the annual period, Nautilus receives no profit share. Any profit share amount is paid 3 months after the annual period ends.

Nautilus will also charge **You** an administration fee, which varies depending on the dealing service it provides **You** with. The fee is paid in addition to the premium and is shown on **Your Certificate of Insurance**.

Nautilus' staff receive an annual salary that may include bonuses based on performance criteria (which can include sales performance) and the achievement of company goals.

## Remuneration Paid to Referrers

Nautilus will in some cases pay a pre agreed fee and/or a commission which is a percentage of the premium to persons who refer **You** to it if **You** buy the insurance.

The amount paid will depend on the person who refers **You** and their level of involvement in the transaction.

## Further Information About Remuneration

If **You** would like more details about the remuneration (including commission) or other benefits Nautilus, its distributors or referrers receive, please ask for it within a reasonable period after **You** receive this document and before this insurance is issued to **You**.

# General Conditions Applicable to All Coverages Under the Policy

## Keep Insured Property in good condition and Repair and always protected

Irrespective of whether **You** cover is Comprehensive or **Legal Liability** only, **You** must maintain **Your Boat, Trailer, Equipment and Accessories** in a good state of repair and condition. Any **loss** or **Damage** caused by poor maintenance is not covered under the **Policy**.

**You** must also make reasonable efforts to protect **Your Boat, Trailer, Equipment and Accessories** from any **loss** or **Damage**. If **You** make a claim and knew about something that could cause **loss** or **Damage** to **Your** property and **You** did not make reasonable efforts to avoid it before the **loss** or **Damage** occurred, then **We** may reduce or refuse to pay a claim. If **You** do suffer **loss** or **Damage** to **Your Boat, Trailer, Equipment and Accessories** **You** must also make reasonable efforts to prevent any further **loss** or **Damage**.

## Keep proof of ownership and value

When **You** make a claim for **loss** or **Damage**, **We** will require proof that **You** owned the item/s and of its value/s or **Your** claim may not be paid.

The easiest way to do this is by keeping receipts, valuations and other forms of purchase confirmation such as model and serial numbers.

Current colour photos of **Your Boat** and **Equipment and Accessories** are another means proof of ownership can be substantiated.

## Tell Us if You modify Your Boat or change its use or change Your normal storage or mooring location

**You** must tell **Us** if **You** modify **Your Boat** or change its normal storage or mooring location or if there is a significant change in the use of **Your Boat**.

If **You** do not provide **Us** with this information **We** may reduce or refuse to pay a claim.

When **You** provide such information to **Us** **We** may alter the terms and conditions of the **Policy** and this may involve the payment of an additional premium. Alternatively **We** may cancel the **Policy** or decide not to offer renewal.

## Transfer of Interest

If **Your Boat** is sold or transferred to a new owner, or there is a change in any interest in the ownership of the **Boat**, the **Policy** will no longer cover **Your Boat** from the time of such sale, transfer or change of ownership. **We** will cover **Your** replacement **Boat** in accordance with the replacement **Boat** benefit detailed in the Additional Benefits section.

## Meeting Your other obligations

**You** will need to meet other conditions of the **Policy**, such as claims conditions, or **We** may reduce or refuse to pay a claim and/or cancel the **Policy** to the extent permitted by law.

## Applicable Excess

**You** will need to meet other conditions of the **Policy**, such as claims conditions, or **We** may reduce or refuse to pay a claim and/or cancel the **Policy** to the extent permitted by law.

This **Excess** only applies if **Your Trailerable Boat** has been left moored unsupervised for period of 24 hours or more, including claims for **Total Loss**.
- **Named Cyclone Excess:** In the event of a claim for **loss** or **Damage** to **Your Boat** caused by a **Named Cyclone**, a **Named Cyclone Excess** of \$5,000 or 5% of the total claim cost, whichever amount is the higher, will be applied. This **Named Cyclone Excess** also applies should **Your Boat** be declared a **Total Loss** as a result of **Named Cyclone Damage**. ## If You Have Borrowed Money to Buy Your Boat or Personal Watercraft

If a credit provider is shown as having an interest in **Your Boat** on **Your Certificate of Insurance** and if **You** have a claim and **We** agree to settle on a cash basis, **We** have the option of making this payment to the credit provider in full or part settlement of **Your** claim.

In this situation, **We** will pay the credit provider the amount **We** agree to settle the claim, up to the amount outstanding under **Your** finance contract.

If **We** determine that the claimed **loss** or **Damage** is not covered, **You** will be responsible for the costs of the above dismantling as well as any costs associated with it (including but not limited to any diagnosis, reassembly, repair, and/or replacement costs).
