ABOUT THIS POLICY

Throughout this document words are italicised to show that words have a particular defined meaning. *You* should refer to the Definitions section of this document on page 8, and the relevant *cover sections* to obtain the full meaning of these terms.

'*you*', '*your*' or '*yours*' means the person(s) or parties shown as the Insured in the *schedule*, including all subsidiary companies, organisations and entities incorporated in *Australia* in which *you* have a controlling interest (exceeding 50%) and are engaged in the *business* described in the *schedule* and not for any other purpose or activity.

HOW TO APPLY FOR THIS INSURANCE

Throughout this document when referring to *your* insurance broker or adviser, we may simply refer to them as *your* intermediary.

If *you* are interested in buying this product or have any enquiries about it, *you* should contact *your* intermediary who should be able to provide *you* with all the information and assistance *you* require.

If *you* are not satisfied with the information provided by *your* intermediary, *you* can contact us at the address or telephone number shown on the back cover of this document. However, we are only able to provide factual information or general advice about the product. We do not give advice on whether the product is appropriate for *your* personal objectives, needs or financial situation.

OUR CONTRACT WITH YOU

Your policy is a contract of insurance between *you* and us and contains all the details of the cover that we provide.

Your policy is made up of:

- the policy wording which tells *you* what is covered, sets out the claims procedure, exclusions and other terms and conditions of cover;
- the information *you* provide to us when applying for insurance cover;
- *your* most current policy *schedule* issued by us. The *schedule* is a separate document unique to *you*, which shows the insurance details relevant to *you*. It includes any changes, exclusions, terms and conditions made to suit *your* individual circumstances and may amend the policy; and
- any other changes otherwise advised by us in writing (such as an *endorsement*). These changes vary or modify the above documents.

Please note, only those *cover sections* shown as covered in *your schedule* are insured.

This document is also the document for any offer of renewal we may make, unless we tell *you* otherwise. Please keep *you* policy in a safe place.

We reserve the right to change the terms of this product where permitted to do so by law.

DUTY OF DISCLOSURE

Before *you* enter into an insurance contract, *you* have a duty to tell us anything that *you* know, or could reasonably be expected to know, may affect our decision to insure *you* and on what terms.

You have this duty until we agree to insure *you*.

You have the same duty before *you* renew, extend, vary or reinstate an insurance contract.

You do not need to tell us anything that:

- reduces the risk we insure *you* for; or
- is common knowledge; or
- we know or should know as an insurer; or
- we waive *your* duty to tell us about.

If you do not tell us something

If *you* do not tell us anything *you* are required to, we may cancel *your* contract or reduce the amount we will pay *you* if *you* make a claim, or both.

If *your* failure to tell us is fraudulent, we may refuse to pay a claim and treat the contract as if it never existed.

GENERAL INSURANCE CODE OF PRACTICE

The insurer is a signatory to the General Insurance Code of Practice (the Code) and NM Insurance also proudly supports the Code. The objectives of the Code are:

- to commit us to high standards of service;
- to promote better, more informed relations between us and *you*;
- to maintain and promote trust and confidence in the general insurance industry;
- to provide fair and effective mechanisms for the resolution of complaints and disputes *you* make about us; and
- to promote continuous improvement of the general insurance industry through education and training.

The Code Governance Committee is an independent body that monitors and enforces insurers compliance with the Code.

Further information about the Code or the Code Governance Committee and *your* rights under it is available at <https://insurancecouncil.com.au/cop/> or by contacting us.

COOLING-OFF PERIOD

After *you* apply for cover and *you* have received the policy document, *you* have 21 days to check that the policy meets *your* needs. Within this time *you* may cancel the policy and receive a full refund of any *premiums* paid, unless:

- *you* have made a claim or become entitled to make a claim under *your* policy; or
- *you* have exercised any right or power *you* have in respect of *your* policy or the policy has ended.

Your request will need to be forwarded to us via *your* intermediary or to the address shown on the back cover of this document.

You can cancel *your* policy at any time after the cooling-off period. Please refer to 3. 'Cancellation' under General Terms and Conditions on page 17.

UNDERINSURANCE

Certain *cover sections*, Property and Business Interruption, contain Underinsurance or Average clauses that may limit the amount that we pay when *you* have a claim. This will only happen if *you* understate a *sum insured* or *declared value*.

Example:

You insure *property* for a *declared value* or *sum insured* for \$70,000.

Property damage amounting to \$30,000 occurs from an *event* covered by the policy.

The insurable value of such *property* at the commencement of the *period of insurance* calculated in accordance with the Basis of Settlement provisions of the policy was \$100,000.

Underinsurance applies because the *declared value* or *sum insured* of the *property* is less than 80% of the insurable value calculated in accordance with the Basis of Settlement applicable.

$$\text{Claim payment} = \frac{\$70,000 \times \$30,000}{\$100,000 \times 80\%} = \$26,250$$

In this example, we would pay \$26,250 for the cost of reinstating *your property*, subject to the application of any excess(es).

However, in the *event* that a peril listed below (being a peril insured by the relevant *cover sections* but for this exclusion) is causes any of the matters described above, then the relevant *cover sections*, subject to all their provisions, we will insure:

- (i) physical loss of or *damage* or destruction to *property* insured directly caused by such listed peril, and/or
- (ii) *consequential loss* insured by this policy.

Listed perils are fire, lightning, thunderbolt, explosion, implosion, earthquake, impact by aircraft or aerial object dropped therefrom, impact by road vehicle, the acts of persons taking part in riots or civil commotions or of strikers or of locked out workers or of persons taking part in labour disturbances, and/or hail, water and other liquids and/or substances discharged and/or overflowing and/or leaking from any apparatus and/or pipes at the *premises* and theft of *electronic data* solely where such theft is a consequence of theft of any computer and/or computer hardware and/or firmware and/or microchip and/or integrated circuit and/or similar device containing such *electronic data*.

For the purposes of the Basis of Settlement provision in these *cover sections*, *computer systems* records include *electronic data* as defined.

Your policy does not cover obsolete or redundant plant and equipment (excluding property categorised as *stock*) that is no longer used in the *business*, provided that this exclusion shall not apply to items kept for spare parts.

Provided that:

- (i) cover will apply at an unoccupied *building* or *premises* if we have specifically agreed to this;
- (ii) cover will resume when that *building* or that *premises* is again occupied by *you* or any person authorised by *you* to resume occupation; and
- (iii) *you* agree to pay us any additional *premium* that we may require. This exclusion will not apply if the *building* or *premises* are partly occupied.

Your policy does not cover loss, *damage*, destruction, death, personal injury, illness, liability, cost or expense of any nature directly or indirectly caused by, contributed to by, resulting from, arising out of or in connection with any of the following, regardless of any other cause or *event* contributing concurrently or in any other sequence to the loss resulting from:

Provided that this shall not apply to liability arising from radio-isotopes, radium or radium compounds when used away from the place where such are made or produced and when used exclusively incidental to ordinary industrial, educational, medical or research pursuits.

This policy also excludes any loss, destruction, *damage*, death, injury, illness, liability, cost or expense of any nature directly or indirectly caused by, contributed to by, resulting from or arising out of or in connection with any action taken in controlling, preventing, suppressing, retaliating against, or responding to or in any way relating to the above.

GENERAL TERMS AND CONDITIONS

The following general terms and conditions apply to *your* policy:

1. Allocation of subrogation proceedings

Notwithstanding Section 67 of the Insurance Contracts Act (Cth), monies recovered in subrogation proceedings will be applied, net of the expense of such recovery:

- (a) first to *you* to the extent of *your* uninsured loss in respect of a claim paid under a *cover section* of this policy, (disregarding the amount of any excess applicable);
- (b) secondly to us in reimbursement of the amount paid to *you* in respect of that claim under that *cover section*; and
- (c) thirdly to *you* in satisfaction of any excess amount applicable.

Any other monies remaining after these allocations will be *your* property.

Nothing in this Condition 1. shall prevent *you* and us entering into a 'Subrogation Agreement' following a loss agreeing to a different basis of sharing costs and expenses and the allocation of monies recovered.

2. Bankruptcy or insolvency

In the *event* that *you* should become bankrupt or insolvent, we shall not be relieved thereby of the payment of any claims under any *cover section* because of such bankruptcy or insolvency. In case of execution against *you* of any final judgment covered by this policy being returned 'unsatisfied' by reason of such bankruptcy or insolvency, then an action may be maintained by the injured party or their representative against us in the same manner, and to the same extent as *you*, but not in excess of the *sum insured* or *limit of liability*.

3. Cancellation

- (a) How you may cancel this policy

You may cancel this policy or any *cover section* at any time by notifying us. *You* can do so by giving such notice through *your* intermediary.

- (b) How we may cancel this policy

We may cancel this policy or any *cover section* in any of the circumstances permitted by law by informing *you* in writing. The notice will be provided to *your* intermediary.

We will refund *you* the proportion of *premium* for the unexpired portion of the *period of insurance* less any tax or duty paid or owing for which we are unable to obtain a refund.

If the *premium* has been funded by a premium funding company which holds a legal right over the policy by virtue of a notice of assignment and irrevocable power of attorney, a refund will be made to the premium funding company of the proportionate part of the *premium* applicable to the unexpired portion of the *period of insurance*.

4. Claims procedures

You must not negotiate, admit or deny any claim without our consent.

When an *event* happens that is likely to result in a claim under *your* policy, *you* or any other person or party covered by *your* policy, must:

- (a) take all reasonable precautions to prevent further loss, *damage*, injury, illness or liability;
- (b) inform the police if property is lost, stolen or maliciously damaged;
- (c) notify us as soon as possible of the *event*;
- (d) provide us with full details of the *event* after learning the *event* happened;
- (e) supply us with all information and assistance as we may reasonably require;
- (f) allow us to exercise any legal rights held by *you* or held by any other party covered by *your* policy to defend claims or recover money paid by us for claims that have been made. We will keep *you* informed of progress if *you* ask us to do so;
- (g) allow us to negotiate, defend or settle the claim either in *your* name and on *your* behalf, or in the name of and on the behalf of any other party covered by *your* policy. We will keep *you* informed of progress if *you* ask us to do so;
- (h) send us any claim, writ, summons, or full details of other relevant legal or other proceedings such as an impending prosecution or inquest *you* receive or become aware of;
- (i) as far as possible preserve any products, appliances, plant or other items which might prove necessary or useful as evidence until we have had an opportunity of inspection; and
- (j) provide us with all information we require and all reasonable assistance in exercising *your* legal rights to recover loss, *damage*, costs and expenses incurred in the settlement of *your* claim from other parties including taking action and instituting legal proceedings in *your* name.

5. Fraudulent claims

If *you* or any party covered by *your* policy makes a claim or arranges for some other party to make a claim that is in any way false, dishonest or fraudulent, then payment of the claim may be refused.

6. Interests of other parties

The insurable interest of only those lessors, financiers, trustees, mortgagees, owners and all other parties having a legal interest in or charge over the property insured shall be automatically included as third party beneficiaries without notification or specification. The nature and extent of such interest is to be disclosed to us in the *event* of any claim covered by this policy. Any other people not in this category or not named on the *schedule* are not covered and cannot make a claim under the policy. All third party beneficiaries must comply with the terms and conditions of the policy.

Where the separate interests of more than one party in the *property* are insured under this policy, any act or neglect of one party will not prejudice the rights of the remaining party or parties provided that the remaining parties are entirely innocent of and have no prior knowledge of any such act or neglect and shall, within a reasonable time after becoming aware of any act or neglect whereby the risk of loss, *damage* or destruction has increased, give notice to us and shall pay such reasonable additional *premium* as we may require.

You cannot transfer the policy into someone else's name without our consent.

All persons entitled to claim under the policy are bound by the terms and conditions of the policy.

When a claim is paid under the policy and is also recoverable under another policy or policies, *you* agree to provide us with details of such policies so that we may seek contribution from the other insurer or insurers.

7. Non-imputation

Where this insurance is arranged in the joint names of more than one Insured, as described in the definitions of *you*, it is hereby declared and agreed that:

- (a) each Insured shall be covered as if it made its own application for this insurance;
- (b) any declaration, statement or representation made shall be construed as a separate declaration, statement or representation by each Insured; and
- (c) any knowledge possessed by any Insured shall not be imputed to the other.

8. Notifications

All notices and communications must be made by *you* or *your* intermediary.

9. Other insurance and Contribution

When *you* make a claim on *your* policy *you* must provide us with details of all insurance policies that may respond in whole or in part to that claim.

10. Payments in respect to Goods and Services Tax

When we make a payment to *you* or on *your* behalf under this policy for the acquisition of goods, services or other supplies, we will reduce the amount of the payment by the amount of any input tax credit that *you* are, or will be, or would have been entitled to under A New Tax System (Goods and Services Tax) Act 1999 (Cth), in relation to that acquisition, whether or not that acquisition is actually made.

When we make a payment to *you* or on *your* behalf under this policy as compensation instead of payment for the acquisition of goods, services or other supplies, we will reduce the amount of the payment by the amount of any input tax credit that *you* are, or will be, or would have been entitled to under A New Tax System (Goods and Services Tax) Act 1999 (Cth) had the payment been applied to acquire such goods, services or supplies.

11. Payment of excess

When *you* have a claim under a *cover section* of *your* policy *you* must pay the *excess* amount in accordance with the terms and conditions applicable to that *cover section*. Limits and sub-limits of liability and *sums insured* shall apply in addition to, and shall not be reduced by, the amount of any applicable *excess*.

Should a single *event* result in *you* claiming under more than one *cover section* of *your* policy, then only the single highest *excess* will apply to all claims that arise out of the one *event*.

Only one *excess* will apply to all *damage* resulting from earthquake, subterranean fire, volcanic eruption, bushfire, *flood*, storm, hail or rainwater that is continuous, is due to the same general conditions, and occurs within a 72 hour period from the first happening of *damage*.

12. Precautions

You must take all reasonable care to prevent or minimise loss, *damage*, injury, illness or liability including *your* compliance with any law, by-law, ordinance or regulation that concerns the safety of persons or property.

13. Progress payments

If we have agreed that a claim is covered by *your* policy, we will make reasonable progress payments.

14. Proper Law and Jurisdiction

The construction, interpretation and meaning of the provisions of this policy will be determined in accordance with the laws of the State or Territory of Australia in which the policy was issued.

In the event of any dispute arising under this policy, including but not limited to its construction, interpretation, validity or performance, the parties to the policy submit to the exclusive jurisdiction of the courts of *Australia*.

A reference to any statute, regulation or subordinate legislation includes any amendment, replacement, successor or equivalent to or of that statute, regulation or subordinate legislation.

15. Sanctions regulation

Notwithstanding any other terms or conditions under this policy, Zurich shall not be deemed to provide coverage and will not make any payments nor provide any service or benefit to *you* or any other party to the extent that such cover, payment, service, benefit and/or any *business* or activity *you* undertake, which would violate any applicable trade or economic sanctions, law or regulation.

16. Waiver of subrogation rights

We will not be liable to pay any benefits under this policy for loss, *damage* or liability if *you* agree or have agreed to limit or exclude any right of recovery against any third party who would be liable to compensate *you* with respect to that loss, *damage* or liability.

However:

- (a) We shall waive any rights and remedies or relief to which we are or may become entitled by subrogation against:
 - (i) any co-insured (including its directors, officers and employees); or
 - (ii) any corporation or entity (including its directors, officers and employees) owned or controlled by any insured; or
 - (iii) against any co-owner of the *property*.
- (b) *You* may without prejudicing *your* position under this policy:
 - (i) release any statutory governmental, semi-governmental or municipal authority from any liability if required at law, including by contractual agreement, to do so;
 - (ii) enter into a contract for storage of goods or merchandise where the terms include a release in favour of the storers; or
 - (iii) enter into a lease for occupancy of any *building* or part of a *building* or a lease or hiring of property where the terms of the lease or hiring include a release in favour of the lessor or the owner.

For any *property* which has a measurable function, capability or output and it is necessary to replace the item or items with new property to perform a similar function or functions, we will pay *your* claim as follows:

- (i) if *property* is to be replaced by an item which has the same or lesser total function, capability or output, the amount we will pay is the new installed cost of such replacement item or items;
- (ii) if *property* is to be replaced by an item or items which have a greater total function, capability or output and the new installed cost of such replacement *property* is no greater than the cost of *reinstatement* of the *damaged property*, we will pay the new installed costs of the item or items replaced; or
- (iii) if *property* is to be replaced by an item or items which have a greater total function, capability or output and the new installed cost of such replacement *property* is greater than the *replacement* of the *property damaged*, the amount we will pay is the lesser of the cost of *reinstatement* or that proportion of the new installed cost of the replacement item or items which the output of the *property damaged* bears to the output of the replacement item or items.

(g) Stock

For *damage* to *stock*, we will:

- (i) replace or repair the *damaged stock* with property or materials of equal quality, standard and specification unless the *stock* has become *obsolete*; or

2. Disposal of salvage

We will not sell or dispose of any salvage without giving *you* the opportunity to retain it at its salvage value, but this Extension does not allow *you* to abandon *property* to us.

3. Rebuilding at another location

Following *damage* to a *building* that is insured by this *cover section*, *you* have the option of rebuilding at the location where the *damage* happened or at any other location in *Australia*.

Provided that:

- (a) we will not pay more than the cost that would have been incurred if *reinstatement* of the *building* that is *damaged* had taken place at the location where the *damage* happened; and
- (b) if the actual cost of rebuilding is less than the cost of *reinstatement* at the location where the *damage* happened, then our payment is limited to the actual cost of rebuilding.

4. Undamaged portions of buildings

When a *building* that is *damaged* has to be rebuilt at a location other than the *premises* because the requirements of any regulatory authority prevent the *reinstatement* of the *building* at the *premises*, then the abandoned undamaged portion of the *building* including the foundations and services shall be deemed to be destroyed.

Provided that, if the presence of such undamaged portion of the *building* increases the value of the original site, the amount of the increase sale value shall be regarded as salvage and shall be payable to *you* upon completion of the sale of the site or shall be deducted from the total amount otherwise payable by us under this *cover section*, whichever shall first occur.

Should the site not be sold, then the increased site value, when applicable, shall be agreed between *you* and us, or in default, we and *you* shall submit to mediation and be bound by the decision of the mediator.

LIMITATIONS OF COVER

1. Cash settlement

If *you* request a cash settlement or if *reinstatement* is not carried out, we will only pay the lesser of:

- (a) the cost of repairing the insured *property* less an equitable allowance for age, wear and tear, depreciation, or betterment; or
- (b) the *pre-damage value* of the *property* at the time of its loss or destruction; or
- (c) the *declared value* applicable to such *property* if separately specified.

In assessing the application of Limitation of Cover 8. – ‘Underinsurance’, the basis of the calculation will be the value of *property* and not its *replacement*.

2. Categories of property

We will only pay for *property* at specific *premises* that can be correctly designated to one of the *categories of property* shown in the *schedule* for that *premises*.

3. Delay in reinstatement (includes re-creation of documents)

If *reinstatement* is unreasonably delayed by *you*, we will only pay the lesser of:

- (a) the cost of *reinstatement* including the cost of re-creation of documents that would have been incurred had the *reinstatement* or re-creation of documents taken place immediately after the *damage*; or
- (b) the actual cost of *reinstatement* including the cost of re-creation of documents following such unreasonable delay.

4. Directors and Employees property

Any *damage* to the personal property of directors, partners and employees of *your business* that is on the *premises* at the time of *damage*, we will pay *you* to a maximum of \$10,000 for any one person's personal property, but only to the extent that such personal property is not otherwise insured.

5. Excess

You are liable for the excess for each and every claim for an *event* that results in *damage* or loss.

6. Limit of liability

We will not pay more than the *limit of liability* that applies to the specific *premises* where the *damage* happens unless we have stated otherwise elsewhere in this *cover section*. The *limit of liability* for specific *premises* will be reduced by any payment made or due to be made by us following *damage* covered by this *cover section* at that *premises*.

7. Storm, Rainwater, Wind, Hail or Snow

Cover for *damage* to textile blinds and awnings, shade cloth, shade houses, fibreglass houses and glass houses, gates, fences, signs and retaining walls caused by or arising from storm, rainwater, wind, hail or snow is limited to a maximum of \$25,000 in total for any one *event*.

8. Underinsurance

If there is a claim for *damage to property at premises* covered by this policy that exceeds 10% of the *limit of liability* applicable at that *premises*, we will pay that proportion of any claim calculated in accordance with the Basis of Settlement, that the total *declared value* for all categories of *property* insured at the *premises* at the commencement of the *period of insurance* bears to 80% of the cost of reinstating *damage* to all such *property* calculated at the commencement date of the *period of insurance* in accordance with the Basis of Settlement.

Provided that any additional costs incurred when *you* comply with the requirements of any regulatory authority (as described in Extensions of Cover – A, 4. 'Extra cost of reinstatement') will be omitted from the calculation of our proportion.

EXCLUSIONS

In addition to the General Exclusions, the following exclusions shall apply to this *cover section*.

1. We will not pay for *damage to property* caused whilst it is undergoing any process or modification where *damage* results from it being processed or modified.

BASIS OF SETTLEMENT

1. Accumulated stock clause

In calculating any claim, we will take into account any shortage in *income* due to the *damage* which is postponed by reason of the *income* being temporarily maintained from accumulated *stock* of finished goods.

2. Additional expenditure

We will also pay for additional expenditure necessarily incurred for the sole purpose of reducing *loss of income* that is covered by this *cover section* and/or resuming and/or maintaining *your* normal *business* operations or services.

3. Auditors and Accountants

We will accept as proof of the *loss of income* a certified statement from *your* accountants or auditors that shows the financial details requested by us.

4. Departmental clause

If *your business* is conducted in departments or business units, and the independent trading results can be determined, the provisions of the Basis of Settlement will apply separately to each department or business unit affected by the *damage*.

For the purposes of this clause any *income* received from renting or leasing any part of the *premises* will be regarded as the proceeds of a separate department for the purpose of a claim.

5. Loss of income

Loss of income will be calculated by subtracting the *income* earned during the *indemnity period* from the *income* you would have earned during the *indemnity period* had the *damage* not occurred.

Provided that the *income* you would have earned during the *indemnity period* had the *damage* not occurred:

 - (iii) changes to how *stock*, materials, finished goods or partially finished goods are used, purchased or sold including salvage sales of *stock* following *insured damage*; and
 - (iv) savings made during the *indemnity period* that reduce the cost of running *your business*.

6. Payroll

When *payroll* is specifically covered and a *sum insured* is shown in the *schedule*, we will pay the sum produced by applying the *rate of payroll* to the shortage of *income* during the *indemnity period* less any savings in the amount of *payroll* paid occurring during the *indemnity period* in consequence of the *damage*.

If the annual *sum insured* for *income* is less than 80% of the *income* for the year immediately prior to the date of the *damage*, then we will pay a proportion of the *loss of income*.

The proportion that we will pay will be the same as the proportion that the annual *sum insured* for *income* bears to 80% of the *income* for the year immediately prior to the date of the *damage*. If the *sum insured* shown in the *schedule* has been calculated using a Business Interruption Calculator approved by us and your 'GST exclusive sales income' figures from your Business Activity Statement are as stated in the calculation from the approved calculator, then the Limitations of Cover in this clause 4. (a) will not apply.

(b) Payroll

If the annual *sum insured* for *payroll* is less than 80% of the *payroll* paid during the year immediately prior to the date of the *damage*, then we will only pay a proportion of the *payroll* costs incurred during the *indemnity period*.

The proportion that we will pay will be the same as the proportion that the annual *sum insured* for *payroll* bears to 80% of the *payroll* paid during the year immediately prior to the date of the *damage*.
